HELP MAKE YOUR EVENTS MORE ACCESSIBLE
TO PEOPLE WHO ARE
HARD OF HEARING OR DEAF

**TAP PLUS**

Theatre Development Fund’s (TDF) **TAP Plus** program, in partnership with the New York State Council on the Arts (NYSCA) with the support of the New York State Legislature, makes available **grants of up to $5,000 for open captioning services** in order to increase attendance by people who are hard of hearing or deaf at cultural events that are open to the public in New York State. TAP Plus strongly encourages applications from all regions of the state.

Information on open captioning and a service fee guide are available on our website at [www.tdf.org/tap](http://www.tdf.org/tap). TDF also can assist in planning an accessible project for people with hearing disabilities.

TAP Plus is an extension of TDF’s award-winning TDF Accessibility Programs (TAP) which offer services for theatregoers with physical disabilities, as well as individuals on the autism spectrum or with other developmental/cognitive disabilities. After more than a year of virtual programming, TAP is beginning its 24th season of in-person open captioned performances of Broadway and Off-Broadway theatre.

GRANT GUIDELINES & APPLICATION INFORMATION  
NYSCA/TDF TAP PLUS 2022

Only organizations funded by the New York State Council on the Arts (NYSCA) in Fiscal Year 2021 are eligible to apply. Priority will be given to new applicants and to proposals that initiate services rather than to established services.

Organizations may apply for:
- cost of captioning service fees for one or more events
- rental of captioning equipment
- purchase of captioning equipment
- marketing captioning events
- travel expenses of the caption operator

Organizations may not apply for:
- ticket subsidy
- administrative staff time compensation

The maximum request amount is $5,000.

Applicants will be notified of funding decisions in December 2021.

Events must be open to the public and take place between January 1, 2022 and December 31, 2022 in New York State.

The application deadline is Friday, October 29, 2021.

PROCESS AND CRITERIA

A panel composed of people who belong to the arts constituency and who are hard of hearing or deaf will rate the applications. The criteria are:
- Extent of outreach in terms of reaching the potential audience
- Quality of marketing plan
- Evidence of community support
- Potential for the project to increase public awareness of access for people with hearing loss

EXAMPLES OF PROJECTS FUNDED
- Theatre seeking captioning for a performance or performances
- Museum providing captioning for a lecture, film or video presentation
- Literary organization offering captioning for a lecture or reading
- Outdoor festival utilizing captioning for an arts demonstration
- Television station providing captioning for public broadcasting

INTERPRETING (Sign Language) ALTERNATIVE

In certain situations, Deaf Culture individuals who rely on sign language as their primary means of communication might be unable to utilize captioning. For example, schoolchildren may be fluent in sign language but are still developing reading skills. If your event falls into this category, you may apply for cost of interpreting services instead. Your application should articulate this request as a need, not a preference.

FINAL REPORTS

Final reports should detail the actual income and expenses and the number of attendees with hearing disabilities. A copy of the event program and any relevant marketing material should accompany the report. Final reports are due four weeks after the end of the event.
